know and possibly I could work out something.

I happened to be in C'dale yesterday (Tues July 6th) and ran into Johnny Moon. Of course he knew you and said "Lee, you should know Roach Powell, you graduated with his Mother, Helen Russell (Powell)" and of course he is correct. If you can find your Mother's copy Your 50th class reunion picture I am the little bald headed guy in the front row center with the blue socks!

Thanks you for your kind invitation.

Sincerely,

Johnny (Lee) Black

P.S. On C'dale I was known as Lee - everywhere else in the world I am "Johnny"!

P.P.S. My new address:

Wesley Apartments, Apt. 3
Pittston, Pa. 18640

I'm a Pennsylvanian again!
